

## Your New Domain & Hosting Account

When you create a new Domain Registration or Hosting account with Net Essence, you gain access to Client Area at <http://cp.net-essence.co.uk/> where you can manage all of your domains and hosting accounts.

Upon creation of your account you will receive an e-mail with your account details:

Dear Example Customer,

Thank you for signing up with us. Your new account has been setup and you can now login to our client area using the details below.

Email Address: **example.customer@my-domain.com**

Password: **123456789**

To login, visit <http://cp.net-essence.co.uk>

t: 020 3239 7374

Net Essence Limited, 129 Arlington Drive, Carshalton, Surrey, SM5 2EU, United Kingdom. VAT Registration No. GB 977119288. Registered in England No. 07006023. TipTop PC, 44-46 is a trading name of Net Essence Limited. © Net Essence Limited 2010.

This e-mail contains your **Username** and **Password** for logging in to the **Client Area**.<sup>1</sup>

From within the Client Area, you can manage the following:

- Contact information, add more contacts and change your security settings
- View all of your hosting products and services
- Manage all of your domains
- View your invoices
- View a history of all e-mail messages we have sent to you
- Access our Ticket Support system for all hosting, website and IT Support questions

You also have direct access to your hosting control panel

Furthermore, you have access to

- The Knowledgebase of articles and useful information
- The Downloads section
- The Client Tools section.

You can also use the Client Area to quickly and easily register new domains and set up new hosting accounts.

---

<sup>1</sup> If you are unable to remember your password for accessing the Client Area, you can request a password reset by going to <http://cp.net-essence.co.uk/pwreset.php>
